SIMPLIFYING IT

Who we are

Trustmarque is an award winning IT reseller and service integrator delivering transformational business outcomes to over 2,000 customers.

Over the 30 years since Trustmarque was formed, the organisation has grown and evolved to offer a full range of IT solutions. These are: software licensing; professional consultancy and deployment services; managed services; data and storage management and hardware procurement.

We have been working with customers and technology vendors to create IT solutions that solve our customers' toughest challenges in both the public and private sectors.

We are part of Capita IT Services, one of the UK's largest providers of digital infrastructure, working with organisations across the country to support over 2.8 million users.

Leading IT services provider for over 30 years

No.1 Microsoft Cloud partner

Largest Microsoft public sector licensing specialist in the UK

Relationships with over 200 independent vendors

2000+ customers

Accredited to ISO9001, ISO14001, OHSAS18001 and ISO27001
